

# DMK Body Treatments

From head to toe, DMK has you covered

## MEDI PEDI®

*Get your baby feet back*

Remove calluses, corns, cracked heels or rough, hard dry skin build-up on feet with DMK's MediPedi®. DMK's MediPedi® gives visible and tactile improvements in just one treatment leaving the roughest, most cracked and calloused feet feeling smoother and softer. Put a spring in your step with the DMK MediPedi®.

## BODY SCULPTING WRAP

*Like it or lump it*

Minimise the appearance of cellulite and discover a firmer body. The DMK Body Sculpting Wrap is a treatment designed to help re-shape and sculpt the body. It assists in reducing the appearance of cellulite and unsightly puffy areas. By creating a thermogenic effect the treatment aims to increase circulation and eliminate waste material. The Body Sculpting Wrap has a firming, tightening and toning effect on the skin of the body, leaving the appearance smooth and contoured.

## BODY ENZYME THERAPY

*Revise and refresh*

This deep exfoliating, strengthening and firming Enzyme Treatment is specifically designed for the body and for those people who want to see and feel a difference in the texture of their skin. Body Enzyme Therapy contours while encouraging the skin to perform better. It increases circulation and lymphatic drainage and strengthens and firms skin. Body Enzyme Therapy is designed to revise cellulite, fluid retention, dry skin, poor circulation, as well as the treatment of ingrown hairs, pigmentation, stretch marks and acne on the body.

## BODY FIRING PROGRAM

*Lose weight and re-shape*

With DMK's 12 week body reshaping program, is designed to reduce cellulite, encourage weight loss and firm and sculpt the body with a combination of the DMK Body Sculpting Wraps and DMK Body Enzyme Therapies.

## FOLLICUZYME

*A professional treatment to eliminate ingrown hairs*

DMK has developed a very quick and effective in-salon treatment which aims to eliminate red bumps and ingrown hairs. Follicuzyme dissolves the hair and accumulation of dead cell material on any part of the body, releasing the follicle while addressing redness and inflammation, leaving the skin smooth and supple.

## RP

*Reconstruct healthy skin*

A youthful, healthy appearance is important in modern society. Many people feel a sense of anxiety about visual signs of ageing and are therefore seeking advice and solutions. RP is based on the preservation of healthy and attractive skin on both the body and face.

RP revises the skin by looking at the underlying cause of premature ageing making it ideal for conditions such as sun-damaged skin. RP aims to revise the processes that have developed as a result of the sun or environmental damage. RP is an industry proven way of dealing with sun-damage, premature ageing, and loose sagging and wrinkled skin. RP is focused on improving confidence and happiness.

The RP series of treatments include:

- ARP – Arm RP
- BRP – Back RP
- DRP – Décolleté RP
- LRP – Leg RP
- SRP – Stomach/stretch mark RP
- HRP – Hand RP
